7 / TERMS

Firm	Matter	Term	What it says
Stark & Wayne LLP	Cross Technologies v. Pym Technologies (D. Del.)	fee reduction	Fee reduction on part of the work, recorded separately.
Stark & Wayne LLP	Cross Technologies v. Pym Technologies (D. Del.)	fee reduction	Fee reduction on part of the work, recorded separately.
Stark & Wayne LLP	Restructuring matter, industry not established, 2025	fee discount	10% discount on fees for the period; expenses excluded.
Stark & Wayne LLP	Restructuring matter, industry not established, 2025	fee discount	10% discount on fees for the period; expenses excluded.
Stark & Wayne LLP	Restructuring matter, industry not established, 2025	voluntary reduction	Voluntary reduction of fees after review, recorded as a fixed amount.
Stark & Wayne LLP	Restructuring matter, industry not established, 2026	fee discount	10% discount on fees for the period; expenses excluded.
Stark & Wayne LLP	Queen Consolidated v. Merlyn Global (patent, E.D. Tex.)	fee reduction	Fee reduction on part of the work, recorded separately.

8 / HOW TO READ THIS

Standard rate	The firm's hourly rate before any discount or agreed reduction. Every figure is a standard rate unless marked.
Rate year	The year a rate applied to, not the year it was filed. One rate per person per year.
Median	The middle rate: half the people are above it, half below. Box: the middle half of rates.
Limited sample (*)	Fewer than 5 people, or all from one matter not confirmed as standard rates. Shown and labelled.
Class year	The year admitted, else the law-school graduation year. Partners are grouped by years since then.
Blended rate	Fees divided by hours on a matter: the price per hour the client paid across the whole team.
Staffing mix	Share of hours worked by each title.
Described matters	Shown by kind of matter and industry; client names are not shown.

APPENDIX / PEOPLE

Everyone with a standard rate in 2025 or 2026

Sample report. All firm, client, matter and people names are fictional, and all figures are illustrative. They show the format of the report, not real rates.
